

1. Crossroads Care Enfield began life in 1986. At that time 2 part-time office staff were employed and a team of 6 care workers. There are currently 4 full-time and 2 part-time office based staff posts and 35 care support staff working in the community.
2. We are currently recruiting two vacant posts as a result of a recent Organisation Review. This was undertaken to further develop our organisation.
3. Our mission is to provide high quality services for Carers and people with care needs in the Borough of Enfield. In order to achieve our aim we wish to invest in our staff by encouraging them to achieve their potential.
